Regardless of whether you prefer your biking leisurely or fast, scooter biking on the Wiriehorn is tremendous fun for the whole family. The route starts from the upper station in Nüegg back to the lower station. Enjoy the magnificent view of the surrounding alpine and natural landscapes as you descend.

Enjoy a leisurely or fast-paced ride through the idyllic natural landscapes of the Diemtigtal Nature Park. Action and riding fun await you at the Wiriehorn. Would you like to end your hike with a fun downhill run or just take the opportunity to enjoy an unforgettable family outing? You can hire scooter bikes and from the Wiriehornbahnen stations. A helmet is included in the hire cost. The route runs from the upper station in Nüegg over a varied mountain road and through a dense fir forest back to the chairlift's lower station. The route is asphalted and easy to ride on.

Unforgettable scooter bike fun for your family

A scooter bike is a fantastic experience, whatever your age. On the Wiriehorn, children can ride on the running board between their parents' legs. Parents or guardians decide the age at which their child can ride a scooter themselves.
