### Enjoy an unforgettable experience on Lake Thun

Take the Sealander on a leisurely discovery tour on water and on land. The vehicle is roadworthy and looks like a small caravan but is simultaneously a modern electric boat. Spend time exploring beautiful Lake Thun in a totally unique manner amidst the natural beauty of the Bernese Oberland.

Enjoy an unforgettable experience on the deep blue waters of Lake Thun. Glide across the sparkling waters and enjoy the sunshine on your face with the Sealander. True relaxation amid the stunning impressive natural scenery and the imposing mountains. If it's hot, why not take a dip in the lake's cool waters? The Sealander is a roadworthy caravan trailer that's also a modern electric boat. This extraordinary vehicle is easy to operate and can be piloted without a skipper's licence. Hire the Sealander for a fun bathing or camping trip with friends and family. This opportunity to experience the Sealander is a first in Switzerland; this exclusive vehicle can be rented for half a day, an entire day or several days from the Faulensee tourism office.

### Your companion on land and water

The vehicle is equipped with a bathing ladder, a kitchenette, a grill, a sink, a fridge, loudspeakers, interior lighting, a portable toilet and several other useful gadgets. It can easily accommodate four people for a day trip on the water (maximum capacity). Have you always dreamt about spending a night on a lake and being rocked to sleep by its gentle waves? Experience a romantic night for two on the Sealander and observe the star-studded sky reflected in the tranquil waters of Lake Thun.

### Fondue fun on Lake Thun

Experience a winter boat trip in Spiez Bay combined with the fun of a fondue. Marvel at the surrounding landscapes as you dip your bread into a delicious Swiss cheese fondue. You're the captain on the Sealander. Book the versatile caravan that doubles as an electric boat for a day or an evening and treat yourself to an exclusive fondue experience with a very special ambience. The package includes
