Well-kept secret by Lake Brienz

Enjoy relaxing times at the welcoming, manageably sized lido right on Lake Brienz. The views of the sparkling waters and the majestic mountain chain are unique. There is also a beautifully inviting lawn.

The small but perfectly formed lido by turquoise Lake Brienz in Iseltwald is a genuinely well-kept secret for families and pleasure-seekers. You will find the tranquil lido offering direct access to the dazzling lake at the end of Iseltwald fishing village. On a hot summer's day, the cleanest lake in Switzerland promises a welcome chance to cool down. Swim out to the platform that floats on the glistening waters and dry off in the sun while marvelling at the mesmerising mountain backdrop and the beautiful bay of Iseltwald.

Meanwhile, the youngest swimmers can enjoy the children's play area. The lido-bistro serves snacks, including delicious ice-creams and refreshing drinks. Iseltwald Lido opens daily from May to end of September, weather permitting.
