Feel good, relax and have fun in a natural paradise

A special experience awaits on an excursion to the Burgseeli Lido. Surrounded by impressive natural beauty, you can swim in pleasantly warm waters and relax on the well maintained sunbathing lawn. The site by the picturesque Lake Burgseeli offers a surprisingly wide range of activities.

The Burgseeli Lido is tucked away in the picturesque landscape of Goldswil near Ringgenberg. Surrounded by diverse flora and fauna, the unusually warm waters of tranquil Lake Moorsee take visitors by surprise from May to September. In the height of summer there are many days to swim in wonderfully pristine waters of an inviting 26 degrees. Idyllic Lake Burgseeli lies in a nature reserve in a hollow defined by a rocky outcrop known as the "Burg".

While you enjoy the lakeside lido, your children can splash in the adventure pool for non-swimmers. The playground features an impressive pirate ship that will delight kids – perfect for a family day out. A diving tower, floating platform, table tennis, inviting barbecue points and a sunbathing lawn for more than 1000 guests complete the diverse range of Lake Burgseeli.

With shady trees and flowering bushes, there are many secluded corners for relaxation and recreation. Changing cabins and lockers are available, and loungers can be rented. Feel the need to get active and burn off energy amid a stunning natural idyll? Choose from a wide range of activities at the Burgseeli Lido, including aquafitness and aquacycling. Then sample fine culinary specialities and the warmth of the Burgseeli ambience in the welcoming restaurant.
