Marvel at unique landscapes and thundering waterfalls

Raise the anchor, cast off and simply relax. Take a picturesque cruise on the turquoise waters of Lake Brienz. The majestic mountain sides and idyllic stretches of the riverbank make for the perfect natural surroundings. Glide across the lake's waters on the boat and recharge your energy in the sunshine. Ahoy there!

Let the wind blow through your hair, feel the sun on your face and hear the lapping of the waves. A cruise on the turquoise waters of Lake Brienz will allow you to truly relax and let the passing beauty of nature work its magic. On the way, the captain repeatedly steers the boat towards the jetties of picturesque villages. If you're hungry or thirsty, why not enjoy some refreshments in the on-board restaurant? The cruise takes you past beautiful landscapes, a mysterious island and the mighty thundering Giessbach waterfall. The deep turquoise colour of Lake Brienz is particularly impressive.

Take a cruise for two, alone, with family or with friends. Take advantage of unique offers to experience unforgettable moments on the lake at any time of the year. A highlight on Lake Brienz is a trip on the nostalgic paddle steamer "Lötschberg".
