**Spend a day in nature enjoying a wide range of activities in this conveniently-sized family ski resort**

**Look forward to exploring 15 km of slopes on your skis or snowboard. Enjoy spending time at the Axalp family ski resort with its magnificent views of turquoise Lake Brienz.**

Axalp sits on a terrace high above Lake Brienz at around 1500 m above sea level. The Sportbahnen opens up around 15 km of pistes. The comfortable chair lift takes you to the Windegg at 2000 m above sea level. Enjoy the amazing panorama amidst the mountain landscape. Children can take their first turns on the snow at the Axiland training area, next to another three T-bar lifts. Winter hikers, tobogganists and cross-country skiers can also get their money's worth as they enjoy the mountain landscape on the Axalp. The Axalp is also worth visiting in summer as you hike along the woodcarving trail to the picturesque Lake Hinterburgseeli and enjoy the virtually unspoiled landscape.
