

## Guided tour “Jewels of Schadau”

guides   Disability Access   summer

### Discover the Thun Culture Mile and take a stroll through Schadau Park

The tour follows the banks of the River Aare to the Culture Mile’s other cultural and historical highlights: Schadau Castle, built in the 19th century in the style of Romantic Historicism; the Thun-Panorama, the world’s oldest surviving 360° painting; and Scherzligen church, a 1000-year-old church on Lake Thun.

On the 700 m riverbank that forms the heart of this tour, you’ll soon see why the town cast such a spell over artists like Brahms and Kleist. The Thun Culture Mile takes you from Thun station along the water to Schadau Park, which is designed in the English landscape style. You can either book onto the classic tour or the longer tour, which includes the Thun-Panorama.
