Enjoy a summer's day at the perfect place to enjoy water activities

Balancing on a windsurfing board, you can glide across the lake with the wind in your sails and admire the mountain panorama or put your sense of balance to the test by stand-up paddleboarding in light or heavy waves. Badhuus Gunten offers windsurfing and stand-up paddleboarding courses.

Badhuus Gunten lies right on the picturesque shore of the deep-blue waters of Lake Thun. A lush, verdant lawn is the perfect place to sunbathe and relax. Discover nature's beauty while windsurfing or stand-up paddleboarding amid majestic scenery.

Windsurfing and windsurfing courses

Attend a basic course, an advanced course including the SWAV (Schweizerischer Windsurf-Ausbildungsverband – Swiss Windsurfing Training Association) basic theoretical examination or enjoy one-to-one windsurfing tuition. The basic course will teach you how to position yourself correctly on the board and the most important basic manoeuvres, as well as addressing the relevant theoretical and safety aspects. The advanced course will show you how to improve your basic technique and become better at controlling the board. You can also take the Swiss Windsurfing Training Association's basic theoretical examination. Book one-to-one tuition if you wish to improve particular skills.

Stand-up paddleboarding (SUP)

Enjoy being in the water and want to get active? Why not learn stand-up paddleboarding (SUP) on Lake Thun? Experienced SUP instructors will teach you stand-up paddleboarding either one-to-one or in a group course. Holding the paddle in your hand, you practice the harmonious movements and balance exercises on the SUP board on the water.
