Enjoy a beautiful hike through the imposing Stockhorn region between each course. Experience culinary delights and savour the unique view of the surrounding mountain peaks on the way.

The beautiful Culinary Trail on the Stockhorn invites you to keep fit in natural surroundings while enjoying regional produce. On this culinary walk you enjoy a three-course meal of regional produce at three different mountain restaurants. The full-flavoured cheese, the firm sausage, the juicy veal steak and the delicious dairy products taste even better than usual when enjoyed amid the wonders of nature. The trail consists of two stages, each of which take about 45 minutes to complete. Follow the trail to gastronomic pleasure and admire the breathtaking mountain panorama along the way.

Before embarking on the beautiful trail, you fortify yourself with a starter at the "Chrindi" midway station, while the Stockhorn Panorama Restaurant serves your delicious main course at the summit. You then hike from the peak of the Stockhorn to the Oberstockenalp Berghaus, where a tempting dessert sweetens your rest break. The final stage brings you back to the "Chrindi" station. You'll also receive an invigorating cup of coffee and a small gift in the form of a culinary surprise.
