Fun and excitement for bright-eyed kids at the Funland play park

Whether it's raining, snowing or sunny outside, the Funland play park is sure to make children's eyes sparkle. While the kids run around in the soft-play park, you can treat yourself to a drink and a snack in the bistro.

The fabulous Funland indoor play park offers the ultimate play experience for children up to 11 or so. One highlight of the soft-play park is the three-lane, 11 m slide. Kids can also hurtle through a tube slide, jump into a ball pool, climb a ramp and build a house with extra large building blocks.
