Relax and enjoy yourself outdoors with a view of the mountain and lake landscape

Hotpot Brienzen has places for two, four, six or eight people. The view of Lake Brienzen and the winter landscape is out of this world. Treat yourself to a spot of relaxation accompanied by a tasty fondue in the hotpot or chalet.

Hotpot Brienzen is open in winter, from December to the start of March. Couples can enjoy a romantic evening in one of the two-seater hotpots. If you're with friends, try one of the hotpots for four, six or eight people. There's a chance to savour the food too. In addition to a selection of hot and cold drinks, you can enjoy a fondue either in the cosy chalet or in the warm bath itself. The amazing view of Lake Brienzen, along with the winter atmosphere, will make this an unforgettable experience in the great outdoors.
