Kunsthaus Interlaken (Claudia Dettmar), Interlaken Tourismus - web@interlaketourism.ch

Experience the world of art and culture, framed by the Eiger, Mönch and Jungfrau

The Kunsthaus holds exhibitions by artists of national and international standing. Admire the paintings and objets d'art by yourself, or on a guided tour. The brushstrokes and detail are simply enchanting. Regular concerts are also held – including open-air concerts on balmy summer evenings.

Here in the heart of Interlaken, art and culture combine under one roof. The rooms of the Kunsthaus Interlaken regularly exhibit new works. The focus of the ambitious exhibition programme is on solo and group exhibitions with well-known artists from Switzerland and abroad, as well as thematic exhibitions with topical content. Explore the rooms by yourself, or join a guided tour where you will learn all you need to know about current exhibitions and discuss the various works with like-minded people. Alongside the paintings, objets d'art are on show.

Prefer some sweet sounds or enthralling spectacle? You can also see some unforgettable performances on the Kunsthaus stage. Concerts and theatre performances with renowned performers are presented throughout the year. With everything from jazz and folk to reggae and blues, there is surely something for every taste. Weekly concerts are held in the summer. When the weather permits, bands play in the open air – and idyllic summer nights are assured.
