### History and culture at the foot of the Eiger, Mönch and Jungfrau

Discover picturesque Unterseen Old Town's many interesting and historical sights. Leisurely strolls along the Aare, a visit to the Tourismuseum and time spent relaxing on the sun terrace of a restaurant on the Stadthausplatz await you.

Find peace and quiet in pretty Unterseen Old Town, only a few steps from the colourful hustle and bustle along the Höheweg. At the heart of the old town is the Stadthausplatz, in the middle of which is the imposing Stadthaus building. It's the perfect place to treat yourself to some culinary delights! The square is also the home of a variety of other charming restaurants and cafés that are perfect for unwinding and relaxing. Its historic houses and impressive church tower make for great photos and have many interesting stories to tell. For example, visit the archaeological cellar, which is only a short walk from the picturesque town square, or the Tourismuseum, which recounts the beginnings and history of tourism in Interlaken over two floors. The Stadtkeller hosts regular cultural events, which are made even more impressive by the imposing atmosphere of the vaulted cellar. A place where the old and the new meet. Prefer something a little more relaxing? Why not take a restorative stroll along the Aare and enjoy its wonderful views?
