cayak / canoe / boat SUP boat / pedalo hire summer

Tourismusbüro Faulensee, Interlaken Tourismus - web@interlaketourism.ch

Actively experience the element of water by paddling and pedalling in stunning natural scenery

You can hire pedalos, canoes, stand-up paddleboards and motorboats that can be skippered without a licence at the Faulensee tourism office. Another highlight is the Sealander, a caravan-like electric boat. Right next to it is the lakeside lawn, where you can kick back and relax. Recharge your batteries with a delicious ice-cream or a snack from the little kiosk.

The Faulensee tourism office, situated right on the left bank of Lake Thun, is the place to hire and try out a variety of water sports equipment. Take to the deep-blue waters of Lake Thun under your own steam or hire a motorboat that can be skippered without a licence and spend a couple of hours in the middle of the lake. Paddle your canoe over the glistening water or pedal your pedalo along the shoreline. Alternatively, why not chill out with your friends in the Sealander, the floating caravan trailer, enjoying a delicious cheese fondue or barbecued sausages? Would you rather relax in the warmth of the sun for a few hours? The beautifully maintained sunbathing lawn on the shore of the lake is the place to relax and unwind. Snacks and drinks are available in the tourism office's little kiosk.
