Schall und Rauch

How do church and ham smokehouse go together? Both offer us focal points that explain the living situation of our ancestors. At our church St. Nikolai you can see what efforts each and every one of this village community was once ready to bear in order to be able to survive in the afterlife through a good reputation. The precautionary principle applied to perseverance in this world. Duration: approx. 2 hours For booking and further information, please contact our office at 04489 7373 or at info@apen-touristik.de
