It will go over seven bridges

On this guided bike tour you will pass seven different bridges and get to know the waters and history (s) of Apen. Since this route is designed as a circular route, the start and destination can be designed variably according to your wishes. On approx. 25 km you come through the districts of Apen, Augustfehn, Aperberg, Nordloh and Vreschen-Bokel and learn interesting facts from yesterday and today from our tour guides. Including a small picnic, you are on the road for around 3 hours and, if you wish, you can stop off at a restaurant at the end of the tour
