School

Bokeler Schule (Dörpshus) - © Klaus Dumrath

Village community center

The former village school, which taught until 1972, has been the center of village life in Vreschen-Bokel since it was officially opened as a village community center in July 1999. A wide variety of groups meet in the former classrooms to dance, play sports, be artistic, play or celebrate. The rooms can be rented for private parties after consultation with the local citizens' association.
