Trudge through a winter wonderland and enjoy nature in all its silent glory

Enjoy a guided snowshoe trek in Schwanden bei Sigriswil. Snow-covered meadows, glistening snow crystals, romantic snowy forests and a breathtaking panorama await. Discover the landscape with a local guide, then enjoy an outdoor fondue or in case of bad weather a tasty raclette at the Landgasthof Rothorn.

Set off on an unforgettable snowshoe adventure in and around Schwanden bei Sigriswil with a professional guide. The tour will take you above deep-blue Lake Thun through silent pine forests, romantic snow-covered alpine landscapes and over expansive meadows. The panoramic view over the lake and the winter mountains is out of this world. The trek starts at the "Schwanden, Säge" bus stop. From there the beautiful 9 km long round trip heads via Schonegg to Dünzenegg and back to Säge. Afterwards, you can tuck into a delicious outdoor fondue or, when the weather is bad, a raclette at the Landgasthof Rothorn for the perfect end to a day of hiking. A good level of fitness is recommended. The walk itself lasts about four hours, and the tour takes seven hours in total. For more details contact the operator directly and discover the complete range of tours on offer.
