Explore the moorland landscape above Interlaken by public transport

Enjoy a stress-free holiday in the traditional village of Habkern and soak in its breathtaking natural surroundings. Visit the Lombachalp's magnificent moorland landscape by public transport on the comfortable Bus alpin services. The Lombachalp offers you the opportunity to undertake panoramic hikes or snowshoe tours and an unforgettable experience of nature.

Board the bus, sit back and enjoy. If you're planning a hike from the Lombachalp or the snow conditions are a bit too much for your car, Bus alpin will get you to your destination safely and in comfort. Enjoy the spectacular view and look forward to your upcoming adventure or give your aching muscles a rest after your hike in the breathtaking nature of the Lombachalp. During the summer and winter seasons, Bus alpin operates daily between Habkern and the Lombachalp. In addition to the scheduled departures, special trips can also be arranged on request.

The Association

The Bus alpin Association promotes public transport services to excursion destinations in Swiss mountain regions, helping to make them more attractive to visitors and to boost added value in remote communities. One of the aims of opening up the mountain regions is to encourage people to switch from cars to public transport and thus preserve the environment. Bus alpin helps the member regions to develop services and extend their operations and also with their marketing and financing of public transport services.
