Refreshingly panoramic views and italian flair

Enjoy the summer sun, plus a refreshing dip in the cool waters. At the Hünegg lido, swim through the clear waters of the lake to the raft, then treat yourself to a cooling drink on the terrace of the Badi-Bistro while the kids enjoy the special covered pool. Just a few hundred metres away at the public bathing area of the Hünegg-Kurve promenade, guests soak up the sun on the well-tended lawn by the banks of Lake Thun. Enjoy breathtaking views of the Niesen and the surrounding mountains.

Feel the summer mood at the Hünegg lido by Lake Thun. Your swim out to the raft will be repaid with even more impressive views of the alpine panorama. Depending how brave you feel on the platform, dive into the clear waters from a height of one, three or five metres. At the covered kids' pool, the little ones can splash around in a safe environment before enjoying a tasty ice-cream at the Badi-Bistro. Loungers, table tennis tables and changing cabins are available for a small fee.

At the bathing area of the Hünegg-Kurve promenade, shady trees and spacious lawns attract visitors of all ages. Thanks to cleverly designed lake access points with shingle and stone steps, rapid refreshment is always within reach. Public toilets are available, and the Hünegg lido is just a five-minute walk away. Enjoy peerless views of the Niesen and the Stockhorn range, and be captivated by spectacular sunsets.
