Share sailing yachts with other skippers, join a course or take a sailing excursion

Are you a keen sailor, or have you always wanted to try it? With Sailbox, you kill three birds with one stone: make use of 'self-service' yachts, join a sailing course and enjoy sailing excursions with friends or colleagues. Explore Lake Thun and the wider region by sailing boat. You are free to decide where the journey will take you.

Renting a yacht has never been so easy – book your yacht via the Sailbox web site or app. Use the Sailbox key to access the yacht you reserve, and it's time to go.

Sail out onto deep blue Lake Thun with up to six guests. With your party, savour the majestic mountain panorama and the wind in your hair. Spend an invigoratingly active day cruising one of Switzerland's loveliest lakes. After your trip, simply bring the sailing yacht back to port, making sure it is in a clean and fault-free state. Your excursion is charged by the number of hours, with the bill sent to you directly.

Your highlights at a glance

- Rent one of three sailing yachts on Lake Thun (and other Swiss lakes)
