30works Galerie

The gallery on Pfeilstraße is home to two veterans of the Cologne street art scene: "Banana sprayer" Thomas Baumgärtel who has been spraying his banana stencil all over Cologne since the 1980s and xxxhibition, who makes his appearance with ever new motives and media on the streets of Belgian quarter. Already in front of the gallery xxxhibition has inserted several of his plates into the pavement thus guiding passers-by straight into the exhibition space. Yet apart from these two, gallery owner Gerard Margaritis represents a large stock of artists that ranges from German street artists such as EMESS, mittenimwald, Alias, L.E.T., Van Ray, and Decycle to international protagonists AVone, Mister P or Tankpetrol. Murals, stencils and paste-up works by artists represented by 30works gallery may be found all over Ehrenfeld and Belgian Quarter.
