Gallery

Ruttkowski;68

Ruttkowski;68, founded in 2010 by Nils Müller, is a Cologne, Düsseldorf, New York and Paris-based art gallery.

The gallery concentrates on a broad range of practices within contemporary art, including painting, time-based media art, sculpture and installation, whilst following a non-hierarchical approach towards several scenes and artistic backgrounds. By representing both emerging and established artists rooted in fine arts, fashion, pop culture and youth movements, Ruttkowski;68 manages to create an ever-evolving link between the high and the low. Besides publishing exhibition catalogues, Ruttkowski;68 regularly engages with curatorial projects such as the overarching exhibition series Mixed Pickles, ensuring the visibility of the artists represented by the gallery as well as underlining its stance in between disciplines.

Ruttkowski;68 constantly participates in international art fairs.
