Kunstbruder

This new space for street art is also a restaurant! Close to Rudolfplatz visitors may not only rejoice in culinary street food delicacies, but also in regularly changing exhibitions by local street artists and graffiti crews. Murals, spray can installations as well as countless canvases and stickers make this place bubbling over with creativity, yet do not away with its cosy living room feel. Small concerts and theatre events round up Kunstbruder's rich programme. Works by most artists associated may be purchased at the Kunstbruder shop (Roonstraße 96) or via the online store.
