An electric scooter offers a quick and easy way to discover the beauty of Interlaken

Fascinated by Interlaken's cultural heritage? Or would you prefer a little action? Choose your perfect e-scooter tour on site.

Culture Tour

With an e-scooter, you can expand your horizons in comfort. This guided three-hour tour takes you to the various castles around Interlaken. Then you go up to the Heimwehfluh on the funicular railway. After a light snack, the toboggan run whisks you back down to Interlaken.

Then you enjoy a relaxing boat trip over Lake Thun to Spiez, where on the jetty you'll be met by a professional tandem jump instructor. After a short briefing, you take the plane for your skydive.
