

WaterPark Hehlingen

Water park/Wasserpark

The Hehlingen water park invites young and old to play, sunbathe and relax in beach chairs and stretched out hammocks. There are plenty of attractions: a pirate ship, a climbing castle, a lake with a raft and a 50-metre-long stream with a water wheel and weirs, a barefoot path with various underground materials as well as a football pitch, beach volleyball, water treading pool and fitness stations for older visitors.
