

Eisarena Wolfsburg

Ice skating/ice rink

Wolfsburg AG / Fotograf: Matthias Leitzke

Following extensive renovation work, the old ice palace was transformed into a modern ice arena in 2006. The EisArena offers ideal conditions for the Grizzlys Wolfsburg's games and training sessions. The arena seats 4,500 spectators. On days when the Grizzlys are not playing, the ice rink is opened for public skating and the ice disco.
