

# Alsik Hotel - Meetings and Conferences

Event location

Kim Toft Jørgensen, Kim Toft Jørgensen

**At Alsik, we have created a perfect setting for your event, no matter if this involves single-day meetings, creative workshops, trade fairs, major business events or conferences lasting several days.**

As a newly built, ultramodern meeting and conference hotel, Alsik offers a comprehensive, flexible business area that can be meticulously tailored to meet your needs and embodies the very latest in conference and meeting technology.

The conference area itself covers 1,500 m<sup>2</sup>, which enables meetings and conferences of every size and set-up. The area includes nine specially-designed conference and meeting rooms as well as an exclusive boardroom. The two biggest conference rooms can be joined into one room covering 372 m<sup>2</sup>, accommodating roughly 300 participants. The room opens directly onto a large inviting patio overlooking the inlet Als Sund.
