### Gain an unforgettable insight into the art of violin making

If you are interested in stringed instruments and the fascinating way in which they are made, the Swiss School of Violin Making in Brienz is the ideal excursion for you. Learn about the history of string music in Switzerland while enjoying an exclusive glimpse behind the scenes of the workshop.

The Swiss School of Violin Making in Brienz promises an instructive excursion. While admiring the craftsmanship at the violin making school, you will also be learning a great deal about traditional string music in Switzerland. The highlight of the day is a look around the workshop, where visitors can watch as a beautiful stringed instrument is produced from a piece of wood.

If you want more, why not attend an attic recital to experience and enjoy the art of strings up close? Be enchanted by the sound as you immerse yourself in the world of classical music.

### "Of fiddles and master violins"

This permanent exhibition at the Swiss School of Violin Making in Brienz tells visitors all they need to know about violins and how they are made in Switzerland. The exhibition reveals what violins used to sound like, and how they sound today. What kind of wood is used to make violins? After your interesting visit to Brienz, we guarantee you will be able to answer this and many other questions.
