### FULL MOVEMENT ON THE ALLERSEE

The Wolfsburg Rowing Club has existed since 1957 and today has around 260 members. It is hardly surprising that the club has been so successful for so many years: rowing is a sport for young and old! Hardly any other sport combines strength, fitness, technique, coordination and the environment in such a positive way for the athlete. Learning to row means: exercise in the fresh air and on the water, ignoring wind and weather, enjoying the sun - everything is possible when rowing.

At the Wolfsburg Rowing Club, even more is possible than "just" rowing. The beautiful clubhouse is located on the south bank of the Allersee, in the centre of the Allerpark. And here you can also go sailing, cycling, walking, inline skating, swimming, jogging or simply enjoy nature with friends. The Allersee is also the perfect place for the regattas organised by the Wolfsburg Rowing Club.
