It is the first museum in the world dedicated to the era of German-speaking Romanticism as a whole.

The Deutsches Romantik-Museum presents unique originals with innovative exhibition forms that make it possible to experience the Romantic period as a key epoch. In dialogue with the neighboring Goethe-Haus and the Goethe-Galerie, manuscripts, graphic art, paintings and everyday objects are on display. The Deutsches Romantik-Museum offers a multimedia - in the Romantic sense synaesthetic - realization of ideas, works and constellations of people. Goethe himself is put in a new light.
