

## Markthalle Lucerne

### 365 days market

365 days a year of fresh, regional and seasonal shopping. The centrally located market hall directly in Lucerne's main railway station offers market-fresh food every day. Everything you buy here comes exclusively from Switzerland and is produced as close as possible. The exquisite range of products fulfils the wishes of customers, from breakfast and take-away offers for lunch to an aperitif in the evening or recipe inspiration for dinner. And the most sustainable aspect of the whole concept is that what doesn't end up in the shopping bags is recycled to fight food waste.
