**Lucerne Live brings the festival summer back to Lucerne.**  
**For ten days, the city will once again be filled with international and national music.**

This summer, the festival once again offers music from 60 bands and 42 DJs on seven stages around the breathtaking lake basin in the heart of Lucerne.

Numerous market stalls and a wide range of food/market and drinks round off the summer spectacle.

The organisers remain true to their high musical standards and bring international musicians to Lucerne alongside local and national gems.

International talents such as Khruangbin, Laufey, Faber and Benjamin Clementine as well as nationally renowned artists will be performing on stage,

such as this year's Swiss Eurovision Song Contest representative NEMO, SRF3 Best Talent Valentino Vivace, the Swiss Music Award winners L Loko x Drini and the French rapper KT Gorique.
