Animal fun, fantastic food and a large playground amid fabulous surroundings

At Grizzlybär Adventure Land, excitement is guaranteed. It's an all-round package full of adventure for you and your family amid stunning surroundings. Play a round of mini golf while getting to know the animals in the park's very own zoo. Relax on the lakeside terrace while the kids entertain themselves in the adventure playground.

The 18-hole mini golf course promises fun and a wonderful view of Lake Dittlig. You can even meet some new animal friends as you play – the park's own zoo is just next door. Over ten different species – and over 100 animals, big and small – can be visited in the enclosures every day. Some of them you can even reach out and stroke! A short distance away is the playground. Here the kids can play, climb, swing and go down the slides to their heart's content. After such an exciting, fun-filled day, you'll probably be as hungry as a bear. So why not treat yourself to one of the park's specialities? On warm summer evenings you can relax and unwind on the terrace. For a one-of-a-kind dining experience, why not book a Finnish barbecue hut on the lakeside terrace and pre-order a grillade? You can even make your own cheese fondue. In winter months, the cosy Grizzly Pub is open every Friday and Saturday, with great music, delicious drinks and skill games.
