

E-Bike FoodTrail through the Seetal

Seetal Tourismus, FoodTrail

The first e-bike FoodTrail in Switzerland!

A delightfully tricky ride

Embark on an e-bike ride where everything revolves around the pleasures of the palate. You don't have to count calories on this scenic and occasionally sweaty ride. But you do have to solve tricky riddles. That's the only way to find out where the next delicacy station is. By the way, the highlight of the ride is in ... - no, we won't tell you any more at this point. You have to find out and experience it for yourself. Book your delightfully tricky ride through the Seetal.

And by the way: the E-Bike FoodTrail is the perfect excursion for friends, families, clubs and companies.

Start FoodTrail

The start of the FoodTrail is directly at Lenzburg railway station in the Stapferhaus. When you book the FoodTrail, an e-bike is automatically reserved for you. The e-bike will be handed over to you personally at the Lenzburg rental station.
