

Lake Ei

Obwalden Tourismus

Der wunderschöne Eisee - davon hat das gleichnamige Berghaus seinen Namen - glitzert in allen Farben und ist auch bekannt für seine lange Fischergeschichte.

Delightful Lake Ei - from which the Berghaus Eisee takes its name - glitters in all colours and has long been known for the excellence of its fishing. Early in the morning, you find anglers practising their beloved hobby; you have to admire their patience for success, which we sometimes lack in daily life. Fishing packages and day passes are available at the Berghaus Eisee. Happy fishing!

Geographically speaking, Lake Ei is located in Obwalden, but it is only accessible via the Brienzer Rothorn on the Sörenberg side.
