Inseli - © Luzern Tourismus, Robert Kittel

The central location of Inseli-Park, just behind the railway station and the KKL, makes Inseli-Park the ideal meeting place.

As soon as the temperatures rise again, locals drink coffee with friends, have lunch with work colleagues or raise a glass together after work. When the weather is nice, the Buvette am Inseli and the Volière provide visitors with healthy snacks and refreshing drinks. If you still want to burn off some energy, you can do so at the playground at Inseli. Located directly on Lake Lucerne, the park offers a magnificent view of the city, lake and mountains;
