

## Eschenheimer Turm (Tower)

Lookout Tower

City Wall

Viewpoint

Eschenheimer Tor - © #visitfrankfurt, Petra Winter

**At 47 meters, it is one of the highest late Gothic gate towers in Germany. It was built between 1400 and 1428 by the cathedral master builder Madern Gerthener as a city gate of the late medieval Frankfurt city fortifications.**

Today, the now glazed archway houses a café, which opened a few years ago. Events continue to be held in the fireplace room.

### Address:

Eschenheimer Tor  
60311 Frankfurt am Main
