Park Facility

This playground park is a true garden of delights, especially for children of 12 years and under.

During summer, children can cool off under a sprinkler fountain or in the paddling pool. Toilets are on site and a kiosk selling drinks, ice cream, sweet etc. is situated in front of the playground entrance. The playground park was conceived for children. Please understand that dogs are not permitted. Louisa Forest Playground, was opened in 1954, making it the very first of its kind. The integrated play area was only recently added.
