

Alter Flugplatz Bonames (Old Bonames Airfield)

Nature Park

Park Facility

Alter Flugplatz Bonames - © #visitfrankfurt

The Old Aerodrome is scenically situated in the middle of one of Frankfurt's landscape conservation areas.

After World War 2, American forces established a helipad on the site, which had already been used as a field airfield. About 40 years later, the occupying forces vacated the field. In 1992, the city of Frankfurt acquired the entire site.

Under the direction of the GrünGürtel project group, this special place was further developed.
