Is it a pub? Is it a kiosk? Whatever it is, it's cult! The La. O. La kiosk is one of Cologne's most colourful kiosks. The interior follows the motto "anything goes" and the main thing is unusual. Every last square centimetre of the interior is decorated with tulle and bric-a-brac, making it one of the most beautifully garish in the city.

It is therefore practical that it is sometimes used for parties and can also be booked for private celebrations. There was a huge outcry when new regulations threatened to close the party room. In the end, regular customers, an initiative and a Kölsch brewery prevented the worst, so that the party can continue. The popularity proved that La. O. La Büdchen is unique and has a firm place in people's hearts.
