

Kiosk & Bistro Hanoi

Drinking hall/coffee shop

KölnTourismus: Jesse von Laufenberg

The Kiosk & Bistro Hanoi initially looks like a simple kiosk with the usual range of products: savoury & sweet snacks, hot & cold drinks, coffee & cigarettes and other small items. This doesn't make the shop any more special. The unique selling point is the good Vietnamese cuisine, which also turns the kiosk into a small bistro. The adjoining room, where you can sit and eat, is particularly busy at lunchtime. Later in the evening, the takeaway offer is more popular. The fair price-performance ratio therefore makes the kiosk an insider tip, which is particularly appreciated by local residents and employees of neighbouring companies.
