

Fumetto Comic Festival Lucerne

Fumetto - International Comic Festival in Lucerne - © SWANKPHOTOS 2017

Visit the Lucerne festival for comics and related media, featuring fine arts, graphic design and illustrations.

Are you a comic fan?

Every spring, the world's top comic illustrators and next-generation talent come to Lucerne for nine days to present their work. Immerse yourself in their innovative worlds when you visit the 10 or so main and 40 satellite exhibitions. Also of interest is the supporting programme with readings, workshops, performances, films and parties. The exhibition venues are dotted around Lucerne City and its conurbation.

50'000 visitors

As an art form, drawing enjoys a long tradition in Switzerland. Fumetto has positioned itself as a platform for all aspects of this art form. Attracting over 50,000 visitors, Fumetto is one of the largest events held in Lucerne and one of the most important international comic festivals in Europe. The festival attracts both national and international guests.

The concept

The exhibitions are designed to present art in an exciting way. This includes mediating instruments for every age group.
