In May, Igor Levit invites you to the Piano Festival on the long weekend of the Ascension.

For four days, everything revolves around the 88 keys: the exceptional pianist brings together artists who present a wide range of piano music and take time for genuine encounters - with each other and with the audience. The second edition of the Piano Festival from 9 to 12 May 2024 will range from Bach, Brahms & Co. to performances by rapper Danger Dan and jazz pianist Johanna Summer.
