Whether congresses, events, conferences, incentives or virtual events: With the expertise of over 17,500 national and international events, we have been turning your event into an unforgettable moment for more than five decades at our locations in Cologne, Dresden and Hamburg - or to put it another way: we have been implementing live communication even before the term existed. What do you get out of it? A whole lot ...

We are proud of our extremely low staff turnover, which ensures that knowledge and experience remain within the company. Every single one of them is a highly motivated, full-blooded service provider. You won't find a more competent partner when it comes to combining creativity and perfect logistics into an unforgettable experience.
