With our events, we create unique experiences and unforgettable memories.

We have been designing events for over 30 years. With enthusiasm, passion and creativity. From the initial idea to the complete conception and realization of the event. Attention to detail, great locations, excellent catering, reliable technology, creative artists and entertainment at the highest level ensure unforgettable moments. As one of the first event agencies in Cologne, we know "everything and everyone" here, have a large network of reliable service partners and have plenty of insider tips in store.
