SCM GmbH is your event agency in Cologne – action, fun and food for rent!

SCM is your service provider for the realisation of events, trade fair appearances and film & TV equipment.

For over 25 years, we have been advising our customers on all aspects of equipping events with event modules, action equipment, simulators and fun food & catering stands.

We can draw on our own pool of over 500 different devices, so that we can cover almost any event from a single source as a full-service provider.

We are also a creative team that takes on every challenge to turn new ideas and suggestions from our customers into exciting activities.

Quality, safety and the satisfaction of our customers are our top priorities! It goes without saying that our customers can expect well-maintained, technically flawless equipment that is serviced regularly. Our staff are trained, motivated and friendly!
