

Sauna Boat Lake Thun

wellness shipping summer winter

Saunaboot Thunersee (Projektreich GmbH, Brenzikofen), Interlaken Tourismus - web@interlaketourism.ch

A floating sauna on Lake Thun

Glide effortlessly over Lake Thun on the Sauna Boat, find an enchanting spot on the lake and spend 4 hours enjoying the full sauna experience. To cool off, simply dive into the lake. Don't have a boat driver's licence? That's not a problem – thanks to the 8 HP electric motor, you don't need to be a designated captain.

If you're looking for a unique way to relax and unwind, why not spend an afternoon on the Sauna Boat? An 8 HP engine carries you across Lake Thun from the Restaurant Hafepintli in Därligen – no boat driver's licence required.

With one bottle of water per person, firewood, lighters, clothes storage, life buoy and life vests on board, you can leave your everyday stresses and strains on the shore and depart with your friends in search of your perfect spot on the lake. Out on Lake Thun, you can marvel at the imposing mountain panorama, the romantic castles and the charming villages along the shoreline.

Floating calmly on Lake Thun, you can enjoy 4 hours of relaxing moments in the sauna. Thanks to the expansive panoramic windows, you can savour every moment of your chosen view too. To cool off, you can jump into deep blue Lake Thun whenever you wish – alternatively, you can use the ladder and step in at a more leisurely pace. On returning to the harbour, a member of the team will help you moor the boat.

Kayak and sauna

Want to get even more from your sauna? A kayak tour ending with a sauna is the perfect choice. Take the unique opportunity of discovering Lake Thun on a 1.5-hour kayak tour and find the perfect spot for your sauna experience. Then, reboard the sauna boat for 3.5 hours of total relaxation.
