Rigi First - Unterstetten - Hinder Dossen - Rigi Scheidegg

This hiking trail starts at the Rigi Woelfertschen-First station and follows the route of the former Rigi-Kaltbad-Scheidegg railway. Many contemporary witnesses recall this historical railway.

This mountain trail along the former Rigi-Kaltbad-Scheidegg railway is very popular and beautiful. Hike leisurely over the mighty railway bridge Unterstetten and experience a piece of railway history. You will pass by an old couch, which today in use as a holiday residence, a short tunnel and a water filling station for the steam locomotives. The magnificent panorama of Lake Lucerne and the surrounding mountains are your constant companions.

Rich green hills, wild meadows and interesting rock formations line the path. The magnificent panorama with its dazzling lakes and sublime Alps in the background looks like out of a painting. On the way you will find lovely resting
